講義の内容・方法および到達目標

This course is designed for beginner to low-intermediate students and will focus on spoken English. The goal of this course is to give students the opportunity to challenge their English ability in a positive environment while also building upon the fundamental skills of reading, hearing, and speaking. Basic grammar will be taught and reviewed over the duration of this course.

Students are expected to speak only English in this course!

成績評価方法

Homework - 100% Because of Corona there will be no on campus testing so your grade will be determined solely by your homework.

その他

It is my experience that an active, positive atmosphere is necessary for learning to speak a new language. Students are expected to maintain a supportive atmosphere so that everyone may advance. Mistakes during class are not to be feared as they are part of the learning process.
